Dear Mr. Spalding:

I am in receipt of your letter.

I have taken the time to review the four (4) volume case. Since I was not present, I cannot speak directly to the issues you raise regarding Judge Korda's conduct. Since I personally know the attorney involved and in conjunction with my review, I question the events as outlined. Perhaps you can provide me a copy of the transcripts.

Could you also explain your involvement in this case? Can you also explain why this case would be of any interest to, or under the jurisdiction of the F.B.I.?

Sincerely,

A handwritten signature in black ink, appearing to read "DALE ROSS", with a large, sweeping flourish extending to the right.

DALE ROSS
